PART 1460—FATS AND OILS

TERMINATION OF REQUIRED RECOVERIES OF
GLYCERINE

War Food Order No. 33, as amended
(8 F.R. 17397, 8 F.R. 4319), is hereby
terminated.

This order shall become effective at
12:01 a. m., e. w. t., June 29, 1944.

With respect to violations, rights ac-
crued, liabilities incurred, or appeals
taken under War Food Order No. 33, as
amended, prior to said date, all provisions
of said War Food Order No. 33, as
amended, shall be deemed to remain in

full force and effect for the purpose of
sustaining any proper suit, action, or
other proceeding with respect to any such
violation, right, liability, or appeal.

Issued this 28th day of June 1944.

ASHLEY SELLERS,
Assistant War Food Administrator.

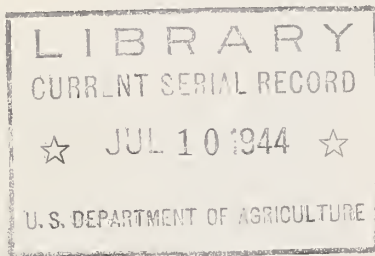

War Food Administration,
Summary to WFO 33 Revocation.

Because operations resulting in the re-
covery of glycerine are now on a basis
where satisfactory quantities are being

obtained the War Food Administration
has revoked War Food Order No. 33 which
prescribed standards for recovering it
from fats and oils split into fatty acids
or made into soap. The order originally

was issued by the War Production Board
on December 1, 1942, as M-193. Revoca-
tion will make it unnecessary for soap
and fatty acid manufacturers to file
quarterly reports with WFA.
